

Thank you for your interest in the 8th Annual Deadwood 3 Wheeler Rally(D3WR), July 10-15, 2022. D3WR strives to create an enjoyable, diverse atmosphere with a commitment for guest satisfaction. We look forward to working with everyone in 2022 to carry on this tradition of excellence.

An idea that started in 2015 has since evolved into the largest trike rally in the United States. Registrations from people on all makes and models of trikes are already pouring in from across North America and 2022 looks to be a record-breaking year for this outdoor event.

The 2022 vendor information is included in this packet. We have limited space so it is important to secure your spot early. Applications are reviewed and evaluated based on their own merit, previous participation, and not a first-come, first-served basis. Staff uses their experience to select the best exhibits, products and services from a variety of submissions received. Please list all products you plan to sell. Failure to do so may result in the removal of the product from your space. Subletting your space to other vendors is strictly prohibited. We will do our best to accommodate placement requests, but know you may not be in the same location as previous years. Including a photo of your display set-up helps insure your space requirements.

We are happy to address any questions or concerns. Please contact us using the information provided below and we hope to see you in July!

Thank you!
Teresa
